

Bangaram Island - Lakshadweep, Kerala

Bangaram Island

Lakshadweep Resort Island

About Bangaram Island

Lakshadweep are a string of little known islands, lying 200 or so miles off the **Kerala** coast. The '**Jewel Of The Lakshadweep**' is **Bangaram Island**, which hosts a back to nature eco-friendly resort, a breathtaking spectacle of sparkling coral reefs, turquoise blue lagoons, silvery beaches and lush green coconut palms.

Bangaram Island has been ranked among the best getaways in the world. A beautiful and breathtaking island in the **Arabian Sea**, **Bangaram** is surrounded by a shallow lagoon of crystal clear water enclosed by a fabulous coral reef.

The resort has 60 simple but comfortable beach cottages. Within the vast lagoon and 120 acres of lush coconut groves at Bangaram you may discover graceful fish, porcupines, parrots, hermit crabs and seabirds.

Deluxe Thatched Bungalow

Rooms

Deluxe Bungalows

Accommodation on the island is simple, unpretentious, yet comfortable. Set in 128 acres, there are 30 tiled -roof beach huts, each with its own palm-thatched verandah, en suite bathroom, ceiling fan and fridge.

In a bit to preserve **Bangaram's** unique environment, a hotel luxuries are intentionally avoided, but there are enough creature comforts to ensure your stay is an enjoyable one. There are also four bungalows however that are bigger and offer more privacy.

Dining

At the heart of the resort is the restaurant hut. It's a little architectural marvel, being made entirely out of bamboo and palm fronds, around one tall central pole. The cuisine styles are international and the menu also offers a selection from the coast of India and local island recipes. There is also a well stocked bar, right off the beach.

Bangaram's World Class Beaches

Ayurveda And Well Being

Bangaram Island is the ideal place to try an **Ayurvedic** treatment, or even just a relaxing massage. The resort has fully-equipped **Ayurvedic** facilities. **Ayurveda** is the **Indian** system of traditional medicine, and it's a great way to treat niggling, chronic health problems. Not to mention the odd aches and pains resulting from a long days dive.

Deep Sea Fishing

For deep sea big game fishing, **Bangaram** is an ideal location. Record size Barracuda, Sailfish, Yellowfin, Travelly and Wahoo have often been landed. Local boats are available here for rent with experienced crew. Serious anglers are advised to bring their own equipment.

Beautiful Fan Coral At Bangaram

Diving And Snorkelling

As a diving location, the virgin reefs of **Bangaram** and other islands have been ranked by many of the world's experienced divers as being among the best anywhere. A well-equipped and professionally manned **Scuba Diving** facility is available at **Bangaram Island** by the highly respected **Lacadives Diving Team** .

Many ancient shipwrecks are yet to be discovered since the reefs aren't even fully explored yet. Manta rays, Eagle Rays, Moray Eels and Hawksbill Turtles are common.

Diving courses and lagoon diving are offered for beginners. Diving sites are off the reefs and are reached by boat. Diving is permitted only within safe depths around 30 meters. Visitors can avail of a decompression chamber, except from **15 May to 15 September**.
